

REPORT POACHING!

**Succulents are
being poached
from our
public lands.**

Anyone who believes they are witness to unlawful poaching or pollution activity is encouraged to call CalTIP, CDFW's confidential secret witness program, at (888) 334-2258 or send a text to **tip411**. Both methods allow the public to provide wildlife officers with factual information to assist with investigations. Callers may remain anonymous, if desired, and a reward can result from successful capture and prosecution.
